

Tent/trailer Rental Policy

1. The renting organization (the “renter”) is responsible for any damage to the tent and trailer from the time it is picked up from Cross Country Yukon (“CCY”) to the time they are returned, no matter what the cause. If damage is caused by a third party, then the renter is responsible for handling any claims against that party.
2. Renter must return tent and trailer to agreed place at agreed time in clean condition.
3. CCY makes no guarantees or warranties as to the suitability of either the tent or the trailer for any specific purpose.
4. The renter is responsible for any claims made against CCY related to the use of the tent and/or trailer, no matter what the cause.
5. CCY may at its sole discretion refuse to rent the tent and/or trailer to any organization or for any purpose whatsoever.
6. The tent and trailer come as a package.

Rental Rates (for local use – use outside of the Whitehorse area may be higher to reflect wear & tear on the trailer for high mileage):

	Daily	Weekly
CCY affiliate	\$25	\$100
Non-profit organization	\$75	\$300
For-profit organization	\$125	\$500

Rates are charged based on the time the tent and trailer are in use (e.g. picked up Friday night, used Saturday and returned Sunday morning counts as one day rental).

Advertising Rates:

1. Advertisers are responsible for costs of painting ads on trailer plus annual advertising fees as shown below.
2. CCY reserves the right to refuse any ads and to pre-approve all designs.

Rates:

	1-year contract	3-year contract (per year)
Size: XxX, 1-side (large)	\$150	\$125
XxX, 2-sides	\$250	\$225
YxY, 1-side (small)	\$50	\$40
YxY, 2-sides	\$90	\$80
ZxZ, back	\$150	\$125

Note: figure on two basic sizes of ads on the sides – large one (need a design layout but assume that we would only have one large ad per side but would have space for 5-6 small ads on each side. Back would be a large ad only, probably about 2/3 the size of a large side ad). Preliminary rates are based on ski club ads rates; for reference, these are \$214 for bridge, \$80 for stadium, \$100 for deck outside wax room, \$53 for newsletter ads). These have not been run by anyone to see if these would fly or not.
